What's Up

Under The Lily Pad

The February meeting was held at the Senior Citizen Center. We were happy to welcome a new member Rick Crawford. Rick has a lot of expertise when it comes to signage and making plaques. He will be a big help to us. He has also agreed to place his water garden on the tour this year. Over a year ago this reporter was checking out garage sales when I noticed Rick standing knee deep in his water garden next door to where I was. Well of course I had to go check it out. Rick's garden will be a nice addition to our tour.

The March meeting will be held at the Senior Center. **Wes Watkins will be speaking** to us on "Mother Nature's Soil Nourishment" This is the Ultimate Natural Fertilizer.

Our **new web site** will be up and running soon. Keep checking. You may see pictures of your water garden there. Those pictures will be rotated, so send me some pretty snapshots. If there is a story that goes with it, include that too.

Click on www.stillwaterwatergardens.org. If you have suggestions, send lily an email.

The Home and Garden Show is April 3-4.

We will need at least 10 people to man the booth during those days and we will need people to set up and tear down. Please come to the March meeting to let us know how you can help. Fred and Sheri Stanton, Jeff & Laura Arnold, and Marsha Wynn have volunteered so far. If several of us pitch in,
