Next meeting will be at 7:00 p.m. on July 12 at Robert & Kelly Wakeling's, 6117 Rattlesnake Dr. This will be a "Potluck" appreciation dinner for all the tour hosts. The club will provide burgers, dogs, drinks, and tableware so just bring salads, desserts, etc. Let's all be there to let the hosts know how much we appreciated their efforts.

Love Surprises?

Me too, and we will be presenting special awards to the public's favorite small, medium, and large water gardens as voted upon during this year's water garden tour. I think we should be glad the public did the voting because the gardens were stunning and picking your favorite was difficult. **This newsletter features the Perry gardens.** Go to the website for a complete 2005 Tour Review in pictures.

The pre tour is special because it allows all the tour hosts to see all the gardens one right after another. We did the Stillwater pre tour on a Tuesday evening and Perry's on Thursday. All the hosts enjoyed each other and we ended up at Braum's each evening for ice cream..Lovely evenings, both. You too can be part of this next year, start thinking about being a tour host. Here are some comments I have heard about this year's tour. "A good assortment of gardens. The directional signs were great, well placed. This was fun, especially Sunday, I think I would like to do this again. Wow did you see that one?"
